

2nd Quarter Virtual Learning Agreement
2020-2021 School Year

Parents,

This agreement grants permission for your child/children to learn virtually during each of the 9-week grading periods of the 2020-2021 school year. At the end of each grading period, you will be able to decide if you would like your child to learn virtually or learn face-to-face in school. Once each quarter is over, you can then choose if you would like to continue with your choice or switch to the alternate option. Please know, your choice will be a quarter by quarter decision. However, there will be a two-week grace period once the quarter begins if you decide you want to change your original choice. If your child is not successful at virtual learning, it is recommended that at the end of that 9-week period your child return to the classroom for face-to-face instruction. Guidelines for virtual learning are set by each teacher. These guidelines are to be followed in order to receive credit for each class. Please know, it is mandatory that all students, virtual or in person, in Grades 4-8 use a school Chromebook. There is a Chromebook contract that needs signed by the parent, along with a \$25 Chromebook fee that needs paid. This is not optional.

Regarding the 2nd Quarter (November 9th – January 29th), please complete the following:
