

Virtual Learning Agreement
2020-2021 School Year

Crusader Parents,

This agreement grants permission for your child/children to learn virtually during each of the 9-week grading periods of the 2020-2021 school year. At the end of each grading period, you will be able to decide if you would like your child to continue with virtual learning or come back to school in person. Once you commit to either virtual learning or in person learning, you will be locked into that choice for the entire quarter. Once the quarter is over, you can then choose if you would like to continue with your choice or switch to the alternate option. Please know, your choice will be a quarter by quarter decision, and you will not be able to change your mind mid-quarter. If your child is not successful at virtual learning, it is recommended that at the end of that 9-week period your child return to the classroom for face-to-face instruction. The option for a virtual meeting with the homeroom teacher is available if you are struggling with a decision. Guidelines for virtual learning will be discussed with your child's teacher. These guidelines are to be followed so your child can receive credit for that classes.

If you are opting in to the virtual learning option, please complete the following:

Student(s) name:

Grade entering:

Please mark which quarter(s) you are requesting virtual learning:

1st Quarter: _____

2nd Quarter: _____

3rd Quarter: _____

4th Quarter: _____

**Please note: You can change your mind after each quarter
The deadline for the 1st Quarter is Friday, August 21st*
